HARRISBURG still commands a firm hold in the standing of the State League championship race; Allentown is very closely followed by Hazleton for second position, but Reading, Altoona and Scranton making a desperate fight to occupy fourth place, with the former leading, leaving Pottsville trailing with itself in its endeavor to hold down the tail end.

The following table gives the percentages of the clubs, together with the number of games won and lost by each, and their standing in the championship race:

SCHEDULE FOR TODAY.

Harrisburg at Scranton, Altoona at Hazleton, Pottsville at Allentown.

WE WERE EASY FOR HARRISBURG.

Scranton Had no Trouble in Taking the Game from Us.

Jack Huston and his senators from Harrisburg made their first appearance at the ball park yesterday afternoon and defeated the Scranton team with neatness and dispatch. It was Harrisburg's third meeting with Scranton this season and likewise its third victory.

Those who saw yesterday's game understand why it is that Harrisburg leads the State League. It plays the national game as it should be played and keeps fighting for victory from the moment the ball is put in play until the last man is out.

Scranton played a lamentably weak game yesterday. Its pitchers were not effective and at the most critical moments the players seemed to collapse from nervous prostration. Staltz, Weizel and Westlake distinguished themselves particularly in that respect. Higgins and Patchen also lent their energies somewhat to the achievement of the general result.

The visitors sized up Hodson's delivery from the start and batted him so freely that Manager Swift put Doran into the box in the fourth inning. At the same time Patchen went out in right field, and Rogers came in from the field and went behind the bat.

ANOTHER CHANGE MADE.

Still the slaughter continued, and in the fifth inning Massey, who has not yet entirely recovered from his charley horse, was sent on first. Captain Dick Phelan moved up to second, and Higgins went into right field, Patchen rotating from the game. That combination worked better.

Jack Doran thereafter had better control of the ball and during the sixth, seventh and eighth innings Harrisburg failed to score. The Scranton club started in well in the first inning. Hogan made a single and was enabled to score by virtue of a sacrifice by Weizel and a two-bagger made by Patchen, the latter scoring on Rogers's sacrifice.

Then the cranks began to think that Harrisburg was easy for Scranton, but it was not.

The visitors failed to score in the first, but in the second opened up on Hodson and with three singles and a double and the assistance of a variety of errors by the home club scored four runs. On two singles and two bases on balls three runs were secured in the third and in the fourth four runs were the result of two singles, a double and a base on ball. In the fifth the visitors made their twelfth and last run.

TWO RUNS IN THE FOURTH.

The home team added two scores to its totals in the fourth and another in the seventh. Pitcher Meany, of Harrisburg, only struck out one man, but he kept the hits well scattered and was given faultless support in the field, not a single error being made behind him. The score:

That City to Take Eastern's Place in the State League.

LANCASTER, Pa., June 4.—A meeting of the delegates of the Pennsylvania State league was held here this evening to take steps to place Lancaster in the league to fill the vacancy now existing.

An interview was had with representatives of the Pennsylvania Traction company, but the matter could not be definitely determined until tomorrow.

At midnight the schedule committee, consisting of Messrs. Witman, of Reading; Sanders, of Scranton, and Hamilton, of Hazleton, were engaged in revising the schedule. It is the intention to transfer nearly all the players of the disbanded Easton team, and the club will be strengthened in important positions.

GLINTS FROM THE DIAMOND.

The Little Tycoons, Jr., beat the Penn Avenue Stars yesterday afternoon by a score of 35 to 15.

The street car accommodations at the ball park yesterday were sadly deficient. As a result both the company and baseball association lost considerable money.

We hope for a better showing on the part of Scranton today. It is difficult to believe that Harrisburg so far outclasses us as yesterday's game would seem to indicate.

The Hustlers challenge any club in the city for a game of ball June 10, on Gannon's Hill, at 2:30 p. m., the Fairmounts or Scrappers preferred. Answer in THE TRIBUNE.

Manager Hill, of the Harvard Base Ball association, announced yesterday afternoon that the postponed Harvard-Princeton game will be played off at the Yale field next Wednesday afternoon.

Pitcher Stratton, of the Louville club, has been released. The Phillies were negotiating for Stratton last year, and it would not be surprising to see him in a Yankee uniform within a week.

The Green Ridge Actives challenge the first team of St. Thomas' college to a game on James Boys' grounds for any day during the week. Answer through THE TRIBUNE, care of the club, manager, G. C. Maclean, captain.

Pitcher Armstrong, of Harrisburg, is the worst specimen of a pitcher that has ever been seen at a Scranton audience to testify in the Philadelphia Inquirer's case. He keeps up a meaningless drivel while on the coaching lines, accompanying it with an effort to ape the antics of a kangaroo. He should be suppressed.

Secretary Diddleback, of the State League, in a review of sport over his signature in the Philadelphia Inquirer says: "Harrisburg still leads the State League race, with Allentown and Hazleton having a close fight for the place, and Altoona and Scranton for just as close a place. There has been an improvement in the playing of all the clubs, but all have suffered for the want of practice through the recent heavy rains. There is no foundation for the report that there is to be a change in the circuit. The present eight clubs will continue to the end of the season, unless one or more of them should drop out by their own public spirit to let their city go by default. A winning team cannot be built up in a few weeks or months, and Manager John F. Smith has been severely disappointed by injuries to his best players and by other causes."

JOTTINGS FOR CYCLERS.

Two Lives Saved. Mrs. Phoebe Thomas, of Junction City, Ill., was told by her doctors she had Consumption and that there was no hope for her, but two bottles of Dr. King's New Discovery completely cured her and she says it saved her life. Mr. Thos. Eggers, 139 Florida St., San Francisco, suffered from a violent cold, approaching Consumption, tried nothing but result everything else that brought one bottle of Dr. King's New Discovery and in two weeks was cured. His wife, naturally thankful, is such results of which these are examples, that she procured the wonderful efficacy of this medicine in Coughs and Colds. Free trial bottles at Matthews Bros.
